1. Please provide any comments that you'd like to make about this instructor's effectiveness as a teacher.
 - TA is very helpful. Explanations are clear and insightful.
 - The instructor is very precise and clear about the topics being discussed. Moreover, the instructor goes in depth of how and why to approach a certain matter in a certain way. The instructor's method allows the students to get a feel of how it is like to work with other people in a working environment. Hence, the instructor is very effective and excellent.
 - The TA is very helpful when you ask a question 1 on 1. Her slides are very clear as well.
 - Very helpful when it comes to making the content of the labs clearer, and explaining what we should do to implement certain functions.
 - 2 blank answer(s).
2. Is there anything specific the instructor might do between now and the end of the course that might help you?
 - Just continue more discussion on the current lab that we are working on would be very helpful.
 - No, I believe the instructor is doing an excellent job already.
 - No problems so far.
 - They can keep doing what they're doing, it works well for me.
